

**UNIVERSITY OF CUMBRIA**  
**COURSEWORK REASSESSMENT REQUIREMENT**

**Module Code: HSOB6008**

**Module Title: Clinical biochemistry**

**Tutor: Mark Magas**

**Title of the item of work:**  
**CW1 - Clinical case studies**  
**CW2 – Oral case-based assessment**

**Wordage:**

**Assessment 1** Written assignment based on a case study 2500 words  
Weighting 50% | ILOs 1 and 4 | **Due date and time: 12 August 4pm**

**Assessment 2** Oral set exercise... Students to submit a case history of their choosing and then must answer questions orally, based on the submitted case over 15 minutes.

Weighting 50% | ILOs 1,2,3 and 4 | **Due date and time -**

**Submit the case study to Turnitin on 12th August 2022 by 4pm.**

**Then come to individual appointments to take the oral on the 16<sup>th</sup> August by Teams** exact details to be arranged. Please contact your module leader.

**Note that the module leader is on leave from 4<sup>th</sup> of August until 12<sup>th</sup> of August 2022**

**Details and Criteria: ( Please attach additional sheets if necessary)**

**Assessment 1 –**

Full details are on the HSOB6008 Blackboard.

Please note that feedback to members of the group included the answers to the diagnoses. Therefore, you will be given a new set of case studies. You should submit your answers to these new case studies.

**Assessment 2 –**

You may use your previous case that you previously resubmitted.

**OR**

You may select a different case study on which to be examined.

In either case...

**Please resubmit to the new Turnitin Portal for the correct August reassessment of the oral set exercise. The oral assessment will take place the following week by Teams 16<sup>th</sup> August 2022.**

**Note that the questions you will be asked will differ from your previous attempts.**

**SUBMISSION DATE AS PER STUDENT PORTAL**

To be submitted by 4 **PM** on **12/08/2022** via Turnitin on the Module Blackboard site.
