

UNIVERSITY OF CUMBRIA

COURSEWORK REASSESSMENT REQUIREMENT

Module Code: HPRO6004

Module Title: Governance, Risk and Change Management

Tutor: Matt Ryder (originally Larry Goff), Simon Irving, Rob Speirs, Iain McKend CBE

Title of the item of work: Exam

Wordage: 2-hour time-limited exam with individual word-count limits (Q1- 700 words, Q2 – 700, Q3 - 600).

Details and Criteria:

Intended Learning Outcomes (ILOs)

1. Critically examine frameworks and methodologies used to ensure that the management of projects within programmes and portfolios is consistent.
2. Critically reflect upon approaches to risk, issue and change management and interpret the impact these have on project activity
3. Critically evaluate the continued use of the business case during the extended project life cycle

Requirement

This is a two-hour exam with the exam window: 10:00 - 12:00 on Monday 14 August 2023. The Exam, along with a Turnitin Submission link, will appear on the Assessment page of the HPRO6004 Blackboard site at 10:00 on Monday 14 August 2023 (you may need to refresh your browser window at 10:00 to see the Exam).

The Exam takes the format of the original assessment taken in May 2023, but with different questions. It will be taken **Online**.

Please download and answer within the document and then upload (as a single document) to the Turnitin link on your Blackboard Assessment page.

Referencing: You are required to make clear, within your text responses, any reference cited; you may include explanation of the reference or use the Harvard in-text format (author and date) for this. There is no requirement for a full reference list to be appended at the end of your answers.

If you are experiencing any technical issues before, during or after the assessment please contact your Module tutor (as named above) immediately.

Intended Learning Outcomes (ILOs)

4. Critically examine frameworks and methodologies used to ensure that the management of projects within programmes and portfolios is consistent.
5. Critically reflect upon approaches to risk, issue and change management and interpret the impact these have on project activity
6. Critically evaluate the continued use of the business case during the extended project life cycle

SUBMISSION DATE AS PER STUDENT PORTAL

(Please tick as appropriate below - must be completed)

The 2-hour exam commences at 10:00 on Monday 14 August 2023. It must be submitted on or before 12:00 (midday) on Monday 14 August 2023. (25% additional time applies to students who have the formal authorisation for this)

To be submitted through the Virtual Learning Environment (e.g., Blackboard) as detailed above, in accordance with instructions given by the course team.
