

**UNIVERSITY OF CUMBRIA COURSEWORK REASSESSMENT
REQUIREMENT**

Module Code: TPER6101

Module Title: Independent Research Project

Tutor: Dr. Jeremy Colclough

Title of the item of work: Written Assignment

Length: 3500 Words

You will write a Project Review & Literature Review (3500 words) that critically evaluates the creative work created for CW2.

Your Project Review should take as its starting point your project proposal and explore how successfully (or not) the final work produced explored the themes and objectives that you set for yourself.

Your Literature Review should summarise and analyse the key reading and independent research that you did in order to deepen your understanding and knowledge of the central topic and theme of your performance.

You should include a copy of your project proposal using the attached template as an appendix to this assignment. This appendix will not be included in the word count.

To be submitted no later than 4 pm on Friday 5th May 2023

you will be assessed on:

- Your ability to summarise concisely, in your own words, key sources of information that underpins and has informed the development of your research project.
- Your ability to compare and bring together ideas from different sources, to form in a coherent argument that outlines the reasoning behind the artistic choices you made while developing your independent research project.
- Your ability to evaluate and reflect upon the artistic choices you made during the development of your research project and how these decisions impacted the delivery of the project outlined in your project proposal.
- Your ability to communicate your knowledge and understanding clearly and accurately in accordance with the University's expectations and standards for written assessments.
