

Personal profiles in Anatomy TV.

This screenshot shows the Anatomy TV login interface. At the top, it says "You are logged-in as University of Cumbria". Below that, it asks "Want to customize Anatomy.tv by creating a Personal Profile?" and features a prominent orange "Create Profile" button. A link "Find out more about Personal Profiles >>" is also present. Two options are provided: "Already have your own Profile?" with a green "Sign in to your Profile" button, and "Don't want to create your own Profile?" with a blue "Continue to Anatomy.tv" button. At the bottom right, there is a checkbox labeled "Don't show me this again" which is circled in red.

You now get an option to create a personal profile when you log in to Anatomy TV.

This will give you a **personalised dashboard** of relevant products based on your "interest / profession".

It will also give you options to add to **favourites** and pick up where you left off.

If you don't want to use this feature *Continue to Anatomy TV.*

You can tick the box to switch off this feature.

This is the first step of the profile creation form. It includes fields for "Email" (with a red error message "Please enter a valid email, in xxxx@xx.xx format" and a red arrow pointing to the input), "Confirm email", "Password", and "Confirm password". There are "Next" and "Cancel" buttons at the bottom, and a "Back" arrow in the bottom left corner.

Create your account and select the most relevant occupation, this will generate your dashboard.

This is the second step of the profile creation form. It includes fields for "First Name" (with a red "Required" label and arrow), "Last Name", and "Occupation" (a dropdown menu with "Select..." and a red circle around it). Below these are "Specialization" and two checkboxes: "By creating an account, you agree to our [privacy policy](#)." and "Yes, I'd like to receive news and promotions from Primal Pictures (an Informa business) about products and services relevant to me." A "Submit" button is at the bottom.

You will need to click the link in the Confirmation email.

The **Dashboard** is tab you will use most. Here you can see all the titles in the university's subscription.

Or click on ★ **Recommended** to see the most relevant ones for your occupation.

This is also where you can access **My Favourites** and **Recently Viewed**.

More detail can be found on the FAQs <https://www.primalpictures.com/support/faqs/#profiles>

NB. This login is separate to the university system so you can log into Anatomy TV directly instead of the resources page.
