

e-LfH log-in information

1. Register for a e-LfH account at <https://portal.e-lfh.org.uk/Register> you must use your ac.uk university email address.

Registration

Ideally you should provide a work email address so that your registration results in the most appropriate access to e-learning content

NOTE: Using a personal email address will result in limited access to e-learning content.

Work email address

Confirm work email address

Register

2. Log-in with your username and password and then go to 'My Account' at the top of the screen.

The screenshot shows the e-LfH user interface. At the top, there is a navigation bar with the e-LfH logo, a search bar, and a user profile icon. Below the navigation bar, the user is logged in as 'Lyridsey' and can access 'Home', 'My e-Learning', 'My Account', 'My Activity', and 'Admin'. The 'My Account' dropdown menu is open, showing options: Personal Details, Employment Details, Change Password, Additional Security, Enrolment (highlighted), Reporting Permissions, and External Systems. The main content area shows 'My e-Learning' with several program tiles: Interpretation of Radiological Images (e-IRI), BeaGP GP Pre-speciality Teaching, NW - Simulation Faculty Development, and Breaking Down the Barriers (BDTB). To the right, the 'Account' section shows the user's name 'Lyridsey Callion', their primary email address 'lyridsey.callion@e-lfh.org.uk', and their place of work as 'Unknown location' with an 'Update' link.

3. Choose the 'Enrolment' option and then for each section tick 'Select all' (this will ensure you are enrolled on all programmes, you can remove some later if you wish by deselecting them).

The screenshot shows the 'Acute Care' enrolment section. At the top, there is a 'Select all' button with a checkmark icon. Below this, there are two columns of program tiles, each with a checkmark icon and a program name:

<input checked="" type="checkbox"/> Acute Medicine (ACUMEN)	<input checked="" type="checkbox"/> Foundation (FND)
<input checked="" type="checkbox"/> Acute NIV (NIV)	<input checked="" type="checkbox"/> Intensive Care Echo and Basic Lung Ultrasound (ICE-BLU)
<input checked="" type="checkbox"/> Anaesthesia (e-LA)	<input checked="" type="checkbox"/> Intensive Care Medicine (e-ICM)
<input checked="" type="checkbox"/> Emergency Medicine (EMD)	<input checked="" type="checkbox"/> Paramedics (PRM)
<input checked="" type="checkbox"/> Focused Acute Medicine Ultrasound (FAM)	<input checked="" type="checkbox"/> Transient Ischaemic Attacks (TIA)

4. You should now be able to see a list of programmes in 'My e-Learning' for example 'Interpretation of Radiological Images (e-IRI)' highlighted here. (Scroll down the programmes are in alphabetical order).

The screenshot shows the e-LfH website interface. At the top, there is a blue header with the e-LfH logo, a 'Live Chat' button, a search bar labeled 'Search the e-learning', and the NHS Health Education England logo. Below the header, a navigation bar includes 'Welcome Lyndsey | Log Out', 'Home', 'My e-Learning', 'My Account', 'My Activity', and 'Admin'. A 'Panel view' button is visible on the left, and 'My e-Learning | Full catalogue' is on the right. The main content area is titled 'My e-Learning > Interpretation of Radiological Images (e-IRI)'. On the left, a list of programmes is shown, with 'Interpretation of Radiological Images (e-IRI)' highlighted in yellow. On the right, three specific programmes are listed with their last accessed dates: '000 General Introduction' (14 Aug 2018), '01 Introduction to Image Interpretation (Adult X-ray)' (30 Jul 2018), and '02 The Appendicular Skeleton (Adult X-ray)' (09 Oct 2018).

If you forget your password, you can reset it here <https://portal.e-lfh.org.uk/forgotten-password> or use the live Chat feature on the website for support.

This block shows the top portion of the e-LfH website header, including the e-LfH logo, a 'Live Chat' button, a search bar, and the NHS Health Education England logo.
