

Open Access (OA) & REF Output Eligibility

Journal and conference articles (with an ISSN) accepted for publication from 1st April 2016 must be open access.

Read and understand UoC Open Access Policy and/or your funder policy if applicable.

Choose your journal and check that it is OA compliant. Check what Creative Commons licence is permitted.

Does the publisher allow a free route to open access (green or diamond)?

YES

Write and submit your article to the journal.

As soon as your article is accepted, create a record in **Insight** (you must include the acceptance date) and deposit the final peer-reviewed Author Accepted Manuscript. The Insight team will do the copyright checks before making it live.

Congratulations! You are now REF output eligible, and by depositing in Insight you have ensured maximum visibility and impact for your work .
