£200 IT Equipment Contribution Request

2024/25

Students who are evidenced to come from low-income backgrounds (i.e. assessed as having a household income of £25,000 p.a. or less) may apply for reimbursement from the University of the £200 IT equipment contribution imposed as part of the Disabled Student Allowances package.

Criteria for this reimbursement is as follows:

- 1) The applicant must have been recommended assistive IT equipment as a result of a Disabled Student Allowances application/assessment and have been informed that they must pay the first £200 of the cost of this equipment by their funding body.
- 2) If studying a full-time Undergraduate course, the applicant must have either submitted household income evidence to their student funding body as part of their student finance application to enable their funding body (Student Finance England/Student Awards Agency for Scotland etc.) to assess their household income and have agreed to share this information with the University.
- 3) If studying a Postgraduate or part-time course the applicant must provide evidence as requested in this form to enable means testing.
- 4) The applicant's household income as assessed by their funding body or by the University must be less than £25,000 p.a.
- 5) If eligible for the £200 payment this will be made as a reimbursement, i.e. **after the student has completed the transaction to secure the recommended IT Equipment.** We will need to see evidence of the payment being made e.g., receipt.

Postgraduate and part-time students will be required to scan and attach evidence to enable mean testing.
