

## Options with a degree in Wildlife Media

### What skills will you develop?

Wildlife Media graduates are able to:

- demonstrate creativity and versatility
- adapt creative styles for different audiences
- use technical skills and operate a variety of advanced computer packages and technologies
- think in a divergent and independent way
- use critical thinking skills and problem solve
- work as part of a team, as well as independently
- schedule effectively and work to deadlines
- adapt their work based on feedback from others

### Wildlife Media graduates would also find their degree a useful background or relevant first step prior to further training or study, for these job roles:

- Animator
- Arts administrator
- Arts journalist
- Archivist
- Community arts worker
- Creative director
- Curator
- Digital publisher
- Digital imaging specialist
- Digital marketing specialist
- Exhibitions designer
- Exhibitions officer
- Floor runner
- Games developer
- Games designer
- Locations manager
- Media editor
- Media researcher
- Product designer
- Production designer
- Production management
- Software engineer
- Sound technician/editor
- Web designer
- Web editor

## What other career options are there?

Many employers seek graduates with a good degree (usually a 2.2 or higher), and over 80% of employers don't have a preference for the subject studied. These are some of the areas you could also consider. Some of these will involve further study or training:

- Accountancy
- Advertising
- Banking
- Charity and voluntary work
- Civil Service
- Events management
- Finance
- Hospitality
- HR
- Insurance
- Law
- Local government
- Marketing
- Politics
- Public Relations
- Recruitment
- Sales and retail
- Tourism

## What help is available from the University of Cumbria?

The Careers and Employability Service can support you with your career planning throughout your time at university, and for up to three years after you graduate. During this time, you can access our career hub, [My Career Enriched](#), which enables you to:

- Search for graduate jobs, part-time work, work experience, placements and paid internships
- Book one-to-one advice and guidance appointments
- Book a practice interview
- Book onto employability events
- Access the CV/application review service

We also offer practical workshops on a range of employability topics, as well as advice and information about further study.

Students with a disability or health condition can request information and advice on finding disability confident employers, how to declare a disability, applying for work, and requesting adjustments in the recruitment process.

Access our range of careers information and resources on [My.Cumbria.ac.uk](https://www.cumbria.ac.uk/my)
